Dear Howie:

First, thanks for the nice words about Dad's anniversary. It was quite a blast, and I wouldn't have missed it for the world. Sorry about the lack of Ivy publicity, but with two old troupers like my Dad and Grandad around I was lucky even to get a couple of words in edge-wise.

As to the exchange of programs, I understand the situation you are in, and will be looking foreward to bigger and better things next year. Thanks, however, for sending the aforementioned interview along, we will use it, and then send it back.

We have waxed interviews with the lawyer from the Communist trail in New York, Sacher, and also interviews and songs by both the V-8's of Mt. Holyoke and the Smiffenpoofs of Smith - all fifteen minute shots, and if you are interested in any of these please let me know as soon as possible.

If you wanted them I would have to have them back as soon as you were through, as the copies have been promised to the people involved. You're perfectly welcome to use them if you want them nevertheless.

Thanks for your cooperation, and I'll be writing you, and seeing you in the spring.

Sincerely,

John Gambling
